Three books are reviewed this month in Asset magazine. The first is Margaret Lomas's 20 Must Ask Questions for Every Property Investor (John Wiley & Sons) and looks into up-to-date examples of Australia's property market. Each example is jargon-free something the Telstra 2006 NSW Business Woman of the Year and founder of Destiny Financial Solutions prides herself on. The second book is Taylor Clark's Starbucked: A Double Tall Tale of Caffeine, Commerce & Culture (Hodder & Stoughton/Sceptre). Here, Clark maps the rise of Starbucks that transformed the US into coffee gourmets. The third and final book reviewed is Dr Thomas K.Carr's Trend Trading for a Living (McGraw-Hill). Carr - the founder of Carr Capital Management - gives the amateur investor a blow-by-blow guide to the sharemarket.
